

## Assembly Technician

Repete, a leading and global software technology company, with world headquarters in the greater Milwaukee area develops automated control systems solutions. We provide a results-orientated, fun, and healthy work environment for our employees.

We have an exciting fulltime position as an Assembly Technician and are searching for a high-energy, detail-oriented individual, who enjoys being part of a winning team.

This position is responsible for the physical assembly and wiring of control panels for industrial equipment. The technician will fabricate panels based on the schematics. This includes layout and physical mounting of components to the subpanel, wiring of all components, installation of subpanel in the enclosure and/or on the enclosure as needed. In addition to meeting the daily production needs, this position will be asked to perform other light building maintenance duties as needed.

All duties must be performed in accordance with all company policies and procedures.

The duties will consist of assembling control panels, relays, and other industrial instrumentation.

### Essential Duties & Responsibilities:

- Layout sub panels for drilling and tapping of hardware
- Layout and cut enclosures as needed using power/hand tools such as plasma cutter, jigsaw, hole punch, file, etc.
- Mounting of components to back panels and enclosures
- Routing and bundling of wire and cables neatly to meet wiring standards
- Point to point wiring of relays, power supplies, PLCs, I/O Modules, VFDs, and any other instrumentation as required per the schematic
- Troubleshoot panels as needed to eliminate wiring errors and component malfunctions
- Maintain red line drawing mark-ups of changes required during fabrication
- Communicate red line changes to Engineer or Team Leader for revision prior to completion
- Communicates effectively with all team members, leads, builders, engineers, and the project manager
- The ability to meet deadlines under pressure
- A high standard of quality and attention to detail
- Ability to work overtime as required
- Perform other duties as assigned or as needed

**Qualifications:**

- High School diploma or equivalent
- Driver's License with a clean record
- Basic computer skills

**Physical Demands / Work Environment:** The physical demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to perform the essential functions.

- While performing the duties of this job, the employee may be standing continuously throughout the day.
- The employee is regularly required to stand, walk, stoop, bend, and reach above shoulders.
- The employee is expected to work 8:00 AM to 5:00 PM, Monday through Friday, unless other arrangements are made with management.
- The employee may be occasionally required to work after/before hours and/or weekend/holiday hours if demanded by the nature of the work.

-Wage commensurate with experience.

-Repete offers an excellent benefits package including medical, dental, vision, life and long-term disability insurance, 401(k) retirement plan with company match and PTO.

-Repete is an equal opportunity employer.

-Only qualified candidates considered will be contacted. No agencies please.
