

Repete, a leading and global software technology company, with world headquarters in the greater Milwaukee area develops automated control systems solutions. We provide a results-orientated, fun, and healthy work environment for our employees.

We have an exciting fulltime position as a Hardware Design Engineer and are searching for a high-energy, detail-oriented individual, who enjoys being part of a winning team.

This person will work directly with both international and domestic customers along with collaborating across a multi-disciplinary team of engineers. Strong candidates will be creative problem solvers who are excited to tackle new challenges

Essential Duties & Responsibilities:

- Provide estimates, panel design, flow diagrams, network layouts and electrical control requirements for automation systems in the animal feed industry.
- Perform electrical panel design to NEC/IEC standards
- Take initiative to drive a process, self-manage and multi-task between 3-8 projects.
- Participate in the development and improvement of internal processes, best practices, and standards.

Qualifications:

- Project management experience in an industrial environment is a plus as well.
- Familiarity with international standards such as CCC, EEC, and CSA are a plus.
- Working knowledge of AutoCAD, AutoCAD Electrical, Bluebeam, Excel, Word, PDF Creator, XML, as well as being familiar with Allen Bradley PLC Components and AB Software (RS Logix/Studio 5000) IAB (Integrated Architecture Builder)
- Excellent organization and communication (verbal/written) skills
- Minimally an Associate Degree or higher education
- Driver's License
- Bilingual is a plus

Work Hours Environment:

Repete's core business hours of 8:00 AM to 5:00 PM (CT), Monday through Friday.

May be required to work after/before hours and/or weekend/holiday hours if required by the nature of the work.

Flexible, Hybrid work environment to include home and office.

-Salary commensurate with experience.

-Repete offers an excellent benefits package including medical, dental, vision, life and long-term disability insurance, 401(k) retirement plan with company match and PTO.

-Repete is an equal opportunity employer.

-Only qualified candidates considered will be contacted.
